

Instructions
of the Director General of the Customs Authority
No. (85) for the year 2021

Within the framework of implementation of the Advance Cargo Information system “ACI” at seaports and in light of the several received inquiries regarding the mechanism of listing the Advance Cargo Information Declaration “ACID” on the submitted origin certificates;

The following shall be adhered to:

- In case the submitted origin certificates include the commercial invoice number evidencing thereon the ACID, the ACID will not be a requirement on the origin certificates while ascertaining that the ACID is listed on the commercial invoice and all release documents.
- In case the submitted origin certificates do not include the number of the commercial invoice and the issuing authority could not evidence the ACID on the origin certificate, the ACID shall be printed or written on a sticker and placed on the document to complete the necessary procedures according the ACI system.

These instructions shall be minutely implemented in all Customs offices and logistics centers.
