

**Instructions**  
**of the Director General of the Customs Authority**  
**No. (8) for the year 2022**

Within the framework of the follow up of the performance of work at the customs sites and logistics centers operating under the one-window system.

Given what has been noticed from the complaints of some of the supervisory authorities of delay of arrival of the results of the inspection and the conformity filed by the customs employees at the inspection yards on Nafeza platform which would negatively affect the rates of the release time and in support of the exerted efforts for decreasing the rates of the release time for cargoes at ports and customs points.

Therefore, it is highly alerted on the employees of the Customs at the inspection zones to commit to upload the results of the inspection related to each customs statement on Nafeza platform through the devices used for that purpose at once and as soon as they are finished with them without waiting till the end of the day. It is prohibited to postpone filing of same till the next day to enable the inspection authorities to continue their procedures without delay.

Provided that the customs coordinators at each site shall follow up the execution of these instructions and ascertain commitment to same.

**These instructions shall be minutely implemented and whoever is in violation shall be subject to disciplinary action.**

**Director General of the Customs Authority**
