

Instructions
of the Director General of the Customs Authority
No. (69) for the year 2022

In addition to the instructions of the Director General No. (64) for the year 2022 regarding the non-referral of the perishable cargoes to the abandoned cargoes department to complete their sale procedures except after presenting matter before the Customs Authority and **in execution of the directives of the Minister of Finance issued in that regard,**

The following shall be considered:

All concerned Customs Administrations shall commit **not to consider cargoes of all types located at ports to the General Administrations as Abandoned Cargoes or commence the procedures of their sale in auctions except after presenting matter before the Customs Authority attached thereto a minutes evidencing the status clarifying therein the condition of the cargo and the expiry date, if found, in preparation to obtaining the approval of the Minister of Finance before taking any procedure.**

These instructions shall be implemented thoroughly as of today's date until 31/12/2022 pending issuance of further instructions.

Kind regards,

Director General of the Customs Authority

(Elshahat Ghatwary)

Issued on 19/9/2022
